Pleasant Goat and Big Big Wolf

'Pleasant Goat and Big Big Wolf' is my favourite TV programme. It is a cartoon. The main characters in the TV programme are Pleasant Goat, Big Big Wolf, Pretty Goat, Lazy Goat and Slow Goat.

'Pleasant Goat and Big Big Wolf' is about some goats and two wolves. The story is about a group of the world's most intelligent goats who live in a town that has lots of green grass. Gray wolf and his wife, Red Wolf, always wanted to eat the fat goats. One day, they met clever Pleasant Goat. Since then, the story started. The goats liked to eat grass and the wolves liked to eat the goats.

Finally, Gray Wolf and Red Wolf cannot catch the goats.

I like this cartoon very much, because it is interesting, amusing and exciting. I want to get dolls of Pleasant Goat and Big Big Wolf too.
