

Hong Kong - Today

4D Pinky Ng

Hong Kong is a small, but a beautiful city. It is a happy city, because we have two theme parks.

Today, people eat pancakes, spaghetti, hot dogs and toast. We eat a lot of western food! We live in private buildings or housing estates. People are cooks, singers, writers or firemen. People usually wear T-shirts, dresses, jeans and sport shoes. We can travel to other places by car, MTR and bus.

In our leisure time, we can play electronic games e.g. NDS and computer games. We can watch TV too!

I think Hong Kong is a happy place, because we have two theme parks. Hong Kong is a nice city. I like to live in Hong Kong, because I was born in Hong Kong and my family and friends are living in Hong Kong.
