## Keroro

'Keroro' is my favourite TV programme. It is a cartoon show. The main characters of the programme are Keroro, Tamama, Giroro, Kururu and Dororo.

'Keroro' is about the life of Keroro and his friends. Tamama likes to eat junk food. Giroro likes to eat potatoes. Kururu likes to eat fried food and Keroro and Dororo like to eat any type of food. They always like to play with gundams and fight.

I like this TV programme very much, because it is very interesting and exciting. I like Keroro and his friends. They are very cute.
