Topic : Hi

Dear Polly,

How are you? I am Mandy. I live in Tuen Mun. There are five members in my family. My youngest sister is beautiful and cute, so I love her very much. My hobbies are singing and dancing.

My favourite colours are purple and chrome yellow. I have a tortoise and keep beetles. I sometimes go fishing. My favourite countries are Korea and Japan. I want to be a tennis player when I grow up, because I like playing tennis. I like to eat sushi and noodles, because they are very yummy.

Please write soon!

Love,
Mandy
