

My Hobby

4C Chu Tsz Yin, Jason

Dear Polly,

How are you? My name is Mandy. I am ten years old. I live in Butterfly Estate, Tuen Mun. My family members are my mum, my dad and two big sisters.

My favourite hobbies are playing football, doing crafts and playing basketball. I often play football in the playground with my big sister, because we like to play football. I sometimes do crafts in my school with my classmates, because I like doing crafts. I sometimes play basketball in the playground with my friends, because I like playing basketball.

Write soon.

Love,
Mandy
