I am in Hong Kong now and will go back to England tomorrow. On our first day here, I had dinner with my relatives. We had a delicious meal at our hotel.

On our second day, I had breakfast in our hotel and Ada took me to the Hong Kong Geological Park. I saw many animals there. For example, birds, dragonflies and butterflies. There were many animals that I want to see! We visited the Po Lin Monastery in the morning. In the evening, we went to the Peak to look at the view of Hong Kong.

On our third day, we went to Disneyland. There were many rides to go on!

This trip made me happy.
