

My Favourite TV Programme

4C Lon Yeung

Naruto

I like many TV programmes but I like 'Naruto' this cartoon best. The main characters are Naruto, Sakura, Kakashi, Neige and Guara.

"Naruto" is about Naruto and his friends. He likes to eat ramen very much. In his body, there is a monster. They like to help other people and they are good fighters.

I like this cartoon very much because I like to watch exciting cartoons.
