Doctor IQ

'Doctor IQ' is my favourite TV programme. It is a cartoon. The main characters of the TV programme are Mr. Slump, Arale Norimaki and Gajira.

'Doctor IQ' is about the life of Arale Norimaki. One day, Mr. Slump made a robot. Her name was Arale Norimaki. She always made trouble. The next day, they met Gajira in a forest. Gajira could fly in the sky and it had two antennas on its head. It could give people an electric shock.

I like this cartoon very much, because it is amusing and interesting.
