Today I had a birthday party at my home. Kitty, Peter, Joe and Uncle John came. Aunt Mary did not come to my home. My birthday party was from 2:00pm to 5:00pm.

We ate chocolate, some fruit and a very beautiful and sweet birthday cake. We felt very full. We drank coke, apple juice, water and coffee. We played card games, sang songs and played football. We brought a set of cards and two footballs, because we like to play cards and football. Kitty, Peter, Joe and Uncle John gave me a cap, sweets and a school bag.

I felt very happy, because we played for a long time. When Kitty, Peter, Joe and Uncle John got home, I felt sad.
